Free Educational Seminar Better Grass for Less Money

Bernhard Grinders Grand Tour of Canada

Learn best practice grinding techniques and understand how an effective blade sharpening program promotes healthier turf even over the winter months.

Healthy turf reduces the need for expensive surface treatments and reseeding. It also leads to more consistent play meaning happier golfers and increased club revenue.

Classroom learning and practical hands on demonstration.

Venue: **October 29, 2015**

Cabot Links, Cape Breton, Nova Scotia

Join us at this prestigious club and have the option of staying overnight at a reduced room rate of just CAN\$160 and play a round of golf with the Bernhard/Vesey team on October 30th for just \$CAN60.
